We are happy to have you as a part of our child development program at CCDC! We have many fun and exciting things planned for the year! We strive to let the children be creative and focus on social/emotional growth. This is what helps build a strong foundation for school success. We are very excited to have this opportunity to get to know your child and your family and to grow with your child throughout the year! ## ABOUT ME

I was born and raised in Owosso. I graduated from Owosso High School in 1994, studied Elementary Education at Eastern Michigan University, and settled into Early Childhood Education at Baker College. I taught Preschool for 16 years and have been the Director of CCDC for 12 years. I have been married to my husband Jay for 16 years and have 2 children: Marnee (9) and Graham (7). As a family we love going up north. We love to bike ride, go to the beach, and spend time with our family at my parents' Lodge on the Au Sable River. Marnee keeps us busy with her dance schedule and Graham loves basketball and riding his dirt bike. I absolutely love what I do. I love getting to be apart of our small community and I get to play a positive role in the life of the children who attend CCDC. I understand the importance of early childhood education and the impact it has on the entire life of a child.
