We are happy to have you as a part of our child development program at CCDC! We have many fun and exciting things planned for the year! We strive to let the children be creative and focus on social/emotional growth. This is what helps build a strong foundation for school success. We are very excited to have this opportunity to get to know your child and your family and to grow with your child throughout the year! If you have any questions, comments, or concerns, please contact us at any time via phone 989.725.9092, email ccdcrocks@yahoo.com, or message us through the brightwheel app.

ABOUT ME

I have been working for CCDC for over 12 years. I have lived in Owosso my whole life and graduated from Owosso High School. After high school, I attended Lansing Community College where I graduated with an Associates Degree in Early Childhood. I have one cat named Luna and a dog named Sofia. My husband Corey and I have a son, Kacin, who we love spending all of our time with. When I'm not working, I love being outside with Kacin, going on bike rides, and also doing puzzles.

My favorite thing about working with children is seeing all the progress they make from the beginning of the year to the end. I also love seeing the excitement in them when learning new things!!

A fun fact about me is I collect all things that have to do with the Golden Girls!!!
