DIGITAL MEDIA & DESIGN

about me...

I have been part of the CCDC family for 15 years and have a degree in Graphic Design and Marketing. You'll usually find me behind the scenes designing, photographing, troubleshooting technology, and managing our social media & website. I love finding creative ways to share the CCDC story and celebrate our wonderful school community. I've been married to my husband for 28 years, and together we have three wonderful children and a very spoiled English Bulldog named Ozzy, who is definitely our fourth child and is convinced the world revolves around him. Honestly, he might be right.
