

MEET *the* TEACHER

Em Flagg

about me...

This is my third year teaching and my second year at CCDC, where I serve as a GSRP Associate Teacher during the day and work in daycare before and after school. I love watching children grow, celebrating everything from big milestones to the little breakthroughs that make them proud of themselves. My students would probably describe me as kind, fun, and friendly, and I strive to build strong relationships with every child. Outside of school, I enjoy road trips, hiking, photography, and spending time with my one year old chocolate Lab, Moose. I also come from a big family with seven siblings! Above all, I hope every child leaves my classroom remembering that learning was fun and that they were cared for every step of the way.
