

# MEET the TEACHER

## Alexis Jenc

### about me...

This is my fifth year teaching and my second year at CCDC, where I am the Lead GSRP Teacher. I love getting to know each child and watching them grow throughout the school year. My students would probably describe me as loving, fun, and silly, and I enjoy making learning exciting while building strong relationships with both children and their families. Outside of school, I love spending time with my three daughters, Harper, Natalie, and Summer, along with our chocolate Lab, Frankie, and our cat, Mona Lisa Smiles. When I'm not with my family, you'll usually find me curled up with a good book. Above all, I hope every child remembers our classroom as a place where they felt welcome, comfortable, and truly cared for.
