HELLO THERE

We are happy to have you as a part of our child development program at CCDC! We have many fun and exciting things planned for the year! We strive to let the children be creative and focus on social/emotional growth. This is what helps build a strong foundation for school success. We are very excited to have this opportunity to get to know your child and your family and to grow with your child throughout the year! If you have any questions, comments, or concerns, please contact us at any time!
