

Meet the Teacher

Megan Kovach | Communication

HELLO THERE

We are happy to have you as a part of our child development program at CCDC! We have many fun and exciting things planned for the year! We strive to let the children be creative and focus on social/emotional growth. This is what helps build a strong foundation for school success. We are very excited to have this opportunity to get to know your child and your family and to grow with your child throughout the year! If you have any questions, comments, or concerns, please contact us at any time!

ALL ABOUT ME

I am the visual communication & marketing manager. I manage the website, social media, design teacher resources, center promo materials, and all marketing for CCDC. I have a degree in graphic design and marketing. I have been a part of CCDC for eleven years. I married my high school sweetheart and we will celebrate 25 years this fall. We have 3 children and an English Bulldog, Ozzy. Lauren recently graduated from Aquinas College and is a NAIA judge and a business analyst for Meijer Corp. Ethan begins his sophomore year at Ferris State studying engineering. Hadley will be in 4th grade and is a member of Kim's Dance Dynamics competition dance team. As a family we love to "glamp" and travel. Fun fact about me: I've never seen Star Wars.
